George Bickerstaffe, "The Economist" Intelligence Unit : Which MBA?: A Critical Guide to the World's Best Programmes before purchasing it in order to gage whether or not it would be worth my time, and all praised Which MBA?: A Critical Guide to the World's Best Programmes:

The fifth edition of the Economist Intelligence Unit's guide to MBA courses critically assesses the current trends in MBA programme structure and content. A selective directory provides full details of 100 of the best schools in 16 countries around the world. The book is packed with key comparative information and statistics on fees and costs, international profiles, entry requirements, application details and student profiles - all set out for easy reference and comparison.
