**Baby iQ Builder Books : Wildlife Animals Encyclopedia for Kids - Big Cats of the World (Lions, Tigers, Leopards and More) - Children's Biological Science of Wildlife Books** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wildlife Animals Encyclopedia for Kids - Big Cats of the World (Lions, Tigers, Leopards and More) - Children's Biological Science of Wildlife Books:

Do you know that your pet cat has big cousins? The big cats in the wild are a world different from your domesticated animal. They could tear your flesh when they get angry and they dont like rubbing their bodies on your legs either! Learn about the distant relatives of your household buddies in this amazingly informative book. Secure a copy today!

About the AuthorBaby IQ Builder provides educational content for PreK-12 and post 8th graders. Baby IQ Builder believes in the importance of early education and the Benjamin Franklin quote of Tell me, and I forget. Teach me, and I remember. Involve me, and I learn". Our books are created to deliver an interactive experience for children while

they learn to express themselves on paper. Baby IQ Builder Books provide parents the opportunity to become engaged with their child by helping their child learn about new and exciting things, fun loving art, basic arithmetic, reading, and writing social skills and even foreign languages.
