**Baby iQ Builder Books : Wildlife Animals Encyclopedia for Kids - Elephants (African and Asian Elephants) - Children's Biological Science of Wildlife Books** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wildlife Animals Encyclopedia for Kids - Elephants (African and Asian Elephants) - Children's Biological Science of Wildlife Books:

Look at those great elephants raising their trunks! Did you know that they are not just strong but theyre intelligent, too? Learn about some interesting facts about these big mammals! Learn to distinguish between the African and Asian elephants. All these facts and more can be found in the pages of this educational book.

About the AuthorBaby IQ Builder provides educational content for PreK-12 and post 8th graders. Baby IQ Builder believes in the importance of early education and the Benjamin Franklin quote of Tell me, and I forget. Teach me, and I remember. Involve me, and I learn". Our books are created to deliver an interactive experience for children while they learn to express themselves on paper. Baby IQ Builder Books provide parents the opportunity to become engaged

with their child by helping their child learn about new and exciting things, fun loving art, basic arithmetic, reading, and writing social skills and even foreign languages. Grab a copy of a Baby IQ Builder Book Today!
