**Joan Hood : Will It Freeze?** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Will It Freeze?:

1 of 1 people found the following review helpful. Freezing Foods By MaryAnn This book is priceless for anyone who freezes their summer harvest or for anyone who would like to freeze foods that they purchase at the market. You will

learn foods that freeze well and foods that do not. This book explains the best methods on how to accomplish it. This is a gift for my sister and I know she will love it.0 of 0 people found the following review helpful. Good ReferenceBy The LibrarianWeird that corn isn't in here. Older book and has some value as it is fairly complete - very surprised that corn isn't in the book.0 of 0 people found the following review helpful. Four StarsBy COVery useful!
