Bruce R. Hammond : Winning the Job Interview Game: New Strategies for Getting Hired before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning the Job Interview Game: New Strategies for Getting Hired:

0 of 1 people found the following review helpful. Best job book out there!By Michael Berryeventhough it is dated, it is the best to read before an interview. it gets you pumped. I am very interviewed and good at it and I give most credit to this book!

According to the author, "being natural" can be a disastrous way to respond in an interview. Including answers to 25 of the most commonly asked interview questions, he exposes common weaknesses in interviewers and shows job candidates how to exploit those weaknesses to their own advantage.
