The new version of the Gazetteer isn't as well detailed as older additions. I had a 12 year old copy that got destroyed in the rain while camping. It had more detail for backwater trout streams and back wood roads.

Chuck Strawberry I have the DeLorme atlases for all 50 states. They are high quality and super detailed. I love geography and am a map collector and I highly recommend them 0 of 0 people found the following review helpful. Just in time for my trip to Wisconsin. By David Nikolaus Glad I got this in preparation for my trip to Wisconsin next month. Great detail; perfect scale.

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses.
