Anton C. Huber : With the "New Focus Approach" to a Successful CV: Make a real sales document out of your CV that brings you twice as many invitations to job interviews! before purchasing it in order to gage whether or not it would be worth my time, and all praised With the "New Focus Approach" to a Successful CV: Make a real sales document out of your CV that brings you twice as many invitations to job interviews!:

Many applicants consistently get rejections, even if their profile really fits the advertised position. In many cases, this is due to the fact that the submitted application dossier already fails the first quality check. Senior recruiter Anton C. Huber knows the situation. In this guide, he presents decisive information which you can use to optimize your application documents so to say your offer for sale for your future employer so that the probability to get into the next round increases dramatically.
