Johnston Because of this book my life took an amazing turn. Seymour has been coaching me as a pianist since 1990! His writing is brilliant. The man is a NATIONAL GEM! Ethan Hawke has

produced a documentary about Seymour the past two three years. IF you are a pianist and in need of wisdom your present piano teacher is not capable of sharing READ THIS BOOK. It is a BIBLE.0 of 0 people found the following review helpful. Excellent condition for a paperbackBy bunnyI study with a pianist who plays for Seymour Bernstein before giving his own concerts. The book is full of "piano education." Seynour himself studied with a great artist (who wrote the forward). He writes about his own students at NYU, very instructive.2 of 2 people found the following review helpful. ExcellentBy IuliusCaesarI really like this book. In a short time it has really helped me. As someone who plays several instruments, I quickly realized that much of the material in this book is equally helpful to those who play instruments other than piano.

This best-seller by the nationally acclaimed pianist is a realistic program for conquering nervousness, sharpening concentration, and enhancing coordination. Bernstein observes that musicianship requires the same talents used in any activity, and shows how to develop a dedication to practice that can harmonize the musical and personal self.
