Staff of Webster's New World Dictionary : WNW Dictionary, Thesaurus, Style Guide Pocket DeskSet before purchasing it in order to gage whether or not it would be worth my time, and all praised WNW Dictionary, Thesaurus, Style Guide Pocket DeskSet:

1 of 1 people found the following review helpful. Nice travel pieceBy ObviousNinjATiny size (not just print but also a

very thin book), some-what decent amount of entries, I did have some things I was looking up in the Thesaurus that it didn't have, so kinda bummed but overall fairly useful on the go. Edited-Bit more disappointed as it was missing lots of words I wanted to look up. For a thesaurus, I'd go with the Chambers Mini Thesaurus, it has a lot more entries; so a better chance of finding what you wanted. Of course, if you have the internet access, it's a moot point anyways. :-D 0 of 0 people found the following review helpful. Five Stars By DEBORAH D. BURTON Excellent

This pocket-sized three-volume set contains a pocket dictionary with over 37,000 entries, a pocket thesaurus with thousands of synonyms, antonyms, and idioms, and a pocket style guide containing rules of grammar and punctuation, plus advice on style and word usage. A small, handy set.
