During a move I lost a couple of volumes and was lucky enough to find them on .com. The set includes much useful information in addition to just recipes. I love it!0 of 0 people found the following review helpful. Great Experience!By Jerry Lee Seiling IIBought this as a gift for my mother-in-law. She was missing this volume. Came EXACTLY as described, arrived ahead of schedule. She was so surprised!0 of 0 people found the following review helpful. Crappie! *giggle*By S. Michael WilsonThis volume of the Woman's Day Encyclopedia of Cookery covers topics from Cookie to Demitasse, the latter of which I thought was an alien species from Deep Space Nine). Also included: Corn, Cranberries, Crepes, both Czechoslovakian and Danish Cookery, and my personal favorite, Crappie (giggle). Plus fifty menus at the end if you need help figuring out what to serve with what.

Haddock to KidDefinitions and 740 recipes. How to buy, store, prepare, cook and serve. nutritive food values- caloric valuesIncludes Ham, haggerty, ice cream, japanese dishes.
