Woman's Day Encyclopedia of Cookery, Volume 11By Louise MadelineI don't always follow recipes exactly and sometimes I add ingredients I think would suit the dish, but all in all I love this set of encyclopedias. I now have the entire set of 12 volumes. Very happy with this purchase. Vol. 11 is Sou-Ton and deals specifically with souffles, soup cook book, sour cream cook book, South American Cooking Southeast Asian Cooking, Southern Cooking Southwestern Cooking, soybean, spaghetti, Spanish Cooking, Spareribs, Spices, Spice Chart, Spinach, Spongecake, Squab, Squash, Steaks, Charcoal-Broiled, Stew, Stock, Strawberry, Strudel, Stuffing, Sturgeon, Succotash, Swedish Cooking, Sweetbread, Sweet-potato Cook Book, Swiss Cooking, Swordfish, Syrup, Tangerine, Tarts, The Pleasures of Tea Drinking, Tetrizzini, Thanksgiving, Timbale, Toast Cook Book, Tomato Cook Book, Tongue Twisters, and 100 menus. Love the photos. Very attractive volume.0 of 0 people found the following review helpful. was really pleased with the productBy Rafaela G.Finally opened the package I received a couple months ago, was really pleased with the product. The book was in great condition, considering its vintage. Brought back so many happy memories of me leafing through the pages when I was a kid. I purchased it to replace a volume that had been "borrowed" by a family member. Looking at it through adult eyes, I can appreciate the great graphic design (mid 1960s style) and instructive writing. The first time around, I didn't even know what Southeast Asia was, but now the entry devoted to cuisine of that part of the world captures my interest. Some of the content is dated, to be sure. For instance, in the Strawberry section, seems to me a lot of gelatin is used in the recipes! But overall

I would recommend any volumes from this set, especially from this seller. 0 of 0 people found the following review helpful. Five Stars By Susie M. Great cookbooks series. Book arrived on time and as described.
