From Information Age Publishing : Women Leaders: Advancing Careers (Research on Women and Education) before purchasing it in order to gage whether or not it would be worth my time, and all praised Women Leaders: Advancing Careers (Research on Women and Education):

Women Leaders: Advancing Careers recognizes that while the majority of students enrolled in educational leadership preparation programs continue to be women; women's advancement to top school executive roles is still not comparable to that of men. Despite significant gains in the past decade, the biased treatment of women continues to be a barrier to their advancement to key administrative positions. The authors in Women Leaders: Advancing Careers have contributed significantly to the growing body of literature aimed at assisting the career advancement of women. Their research indicates that the concepts presented herein are critical to women's leadership preparations, advancement, and success. Women Leaders: Advancing Careers melds history, theory, research, and practice to provide guidance to aspiring women administrators in developing a career path and in attaining and successfully performing in executive roles.

About the Author Genevieve Brown, Ed.D. is currently Professor, Director of Doctoral Studies, and Chair of the Department of Educational Leadership and Counseling at Sam Houston State University, Huntsville, Texas. She also served as the Coordinator of Secondary Education and as University Supervisor for principal interns. She has published widely; presented at local, state, and national conferences; and consulted often with school districts. Beverly J. Irby, Ed.D. is Associate Professor of Educational Leadership in the Department of Educational Leadership and Counseling at Sam Houston State University. She has also served as Director of Field Experiences, Supervisor of Mentor Services, Liaison for Sam Houston State University's Urban Professional Development Site, and as a Title VII Grants Coordinator at an urban elementary school. She has published widely, authored or co-authored numerous grants, and consulted frequently with school districts. Shirley Jackson was an American author who is best known for the short story *The Lottery* and the horror novel *The Haunting of Hill House*. Married to the literary critic Stanley Edgar Hyman, Jackson cultivated a literary lifestyle, writing full time and developing relationships with literary colleagues. A gifted writer, Jackson frequently took inspiration from the events and locales of rural Vermont, where she and her family resided, and from the exploits of her children, which were chronicled in *Life Among the Savages*. Jackson died of heart failure in 1965.
