Elliott Landy : Woodstock Vision - The Spirit of a Generation: Celebrating the 40th Anniversary of the Woodstock Festival before purchasing it in order to gage whether or not it would be worth my time, and all praised Woodstock Vision - The Spirit of a Generation: Celebrating the 40th Anniversary of the Woodstock Festival:

0 of 0 people found the following review helpful. Five StarsBy Mike Washgreat2 of 3 people found the following review helpful. "Woodstock Vision" Rocks!By Scott M. CooperElliott Landy's "Woodstock Vision" is articulate in giving one a "you were there" perspective of the culture 40 years ago, alongside Landy's work as a photographer leading up to the Woodstock Festival. What might have enhanced the book would have been more substantive essays on the cultural significance of the event and period, albeit in fairness to the book, it's a good blend of reflections and photographs, giving one a "feel" for what the period was about. Good purchase!0 of 1 people found the following review helpful. A must readBy CustomerSuch a wonderful book! The photos are amazing and the author captures the spirit of the generation beautifully.

(Book). Elliott Landy has his finger on the pulse of the Woodstock generation. He was there before the famous festival, hanging out with Dylan and The Band; he was the photographer of record at the festival itself; and he still lives in Woodstock today. Here he captures and preserves the true vision and pure essence of that incredibly influential event what it was like to be part of the '60s, sharing the spirit of unlimited hope, optimism, and the belief that the world can be made better through peace and love.
