Steven J. Molinsky; Bill Bliss : Word by Word Picture Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Word by Word Picture Dictionary:

5 of 7 people found the following review helpful. Word by Word Picture Dictionary: Vocabulary Game CardsBy TamathaThese are a must for anyone who is learning a second language and needs to learn a lot of vocabulary. The cards only cover some of the sections of the dictionary and that is why I gave them 4 stars instead of 5.These cards are also an invaluable item for teachers who like to use a variety of materials, so their students will be excited about learning through the wonderfully illustrated and comical pics on each card. Classes will never be the same.
