Manhattan GMAT Prep : Word Translations GMAT Preparation Guide (Manhattan GMAT Preparation Guide: Sentence Correction) before purchasing it in order to gage whether or not it would be worth my time, and all praised Word Translations GMAT Preparation Guide (Manhattan GMAT Preparation Guide: Sentence Correction):

3 of 5 people found the following review helpful. Fantastic!!!!By MattI highly recommend this book for anyone who has not done the type of math in the gmat for quite a while. Also, if you would like to get some tips on translating the gmat word problems better, and quicker. Time is of the essence with the gmat.=)I found this book to be an excellent aid for beginners, and the advanced. You need to get the official gmat book as well to get official questions. What I will tell you is after studying this book you will be able to tackle the gmat math very easily. Its all spelled out in plain english in this book.

Word Translations (1 of the 7 books in Manhattan GMATs Preparation Guide series) provides a highly organized and

structured approach to the variety of questions in this quantitative content area. Students learn to analyze the GMATs complex math word problems by translating problems into organized data and utilizing specific frameworks to arrive at solutions quickly and efficiently. The book offers a unique balance between two competing emphases: test-taking strategies and in-depth content understanding. Practice problem-sets build specific foundational skills in each topic and include the most advanced content that many other prep books ignore. As the average GMAT score required to gain admission to top b-schools continues to rise, this guide provides test-takers with the depth and volume of advanced material essential for succeeding on the GMATs computer adaptive format. Book also includes online access to 3 full-length Simulated Practice GMAT Exams at Manhattan GMATs website.

From the PublisherKey Features: \*Each of the 7 Guides covers one major topic in extensive depth, providing students with many more pages-per-topic than found in all-in-one tomes.\*Cleanly-presented strategies, problems sets, and explanations with sidebars that highlight key concepts; no need to wade through cramped pages in small typeface. \*Single-topic focus of each guide allows the student to purchase only those guides that pertain to his/her weaknesses; also is much easier to carry during studying than all-in-one book. \*Includes bonus chapter on Manhattan GMATs unique rephrasing technique for attacking Data Sufficiency--a particularly challenging GMAT question format.

From the Back CoverWhat Students Are Saying: "Separating each of the 7 topics into into its own book helps segment each area of learning. The Manhattan GMAT materials are much more in-depth than other study aids." "A very holistic approach touching on all aspects of each topic. Very well thought-out curriculum. Homework and drills are concise and appropriate--very effective." "I found the explanations easy to understand and appreciate how they explain the true subject matter and do not merely provide gimmicks for solving problems."About the AuthorManhattan GMATs 7 preparation guides were developed by Manhattan GMATs talented staff of real teachers, all of whom have scored in the 99th percentile on the official GMAT. As the company focuses solely on the GMAT (no other tests), it continually updates the guides to reflect the GMAT's most current trends. Questions are refined and strategies enhanced, blending the academic and test-taking skills that have been essential to the success of Manhattan GMAT students around the world. The nations largest GMAT-exclusive preparation provider, Manhattan GMAT was founded by Zeke Vanderhoek. A Yale graduate, Zeke taught as a member of Teach for America at a New York City public junior-high school, earned a Masters in Philosophy Education from Columbia Universitys Teachers College, and supplemented his day-job by tutoring individuals in various subjects at all educational levels. Word-of-mouth referrals soon brought in a remarkably high number of GMAT test-takers, and thus Manhattan GMAT and its prep guides were born.
