Willard R. Espy : Words to Rhyme with: A Rhyming Dictionary (Facts on File Writer's Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Words to Rhyme with: A Rhyming Dictionary (Facts on File Writer's Library):

1 of 1 people found the following review helpful. This book is more then I can ask for!!By tedAs a lyricist and knowing that your vocabulary is like your weapon you fight with against other musicians. This book goes in to details and makes it very simple to learn and understand what the author is getting his point across.1 of 1 people found the following review helpful. Words to Rhyme with: A Rhyming DictionaryBy ERIKA STEPHENSONRetired, have started trying to write rhyming birthday wishes. Thought from the description that the book would have words, not syllabels, but am getting used to it. Still find the Internet is quicker in finding rhyming words.0 of 0 people found the following review helpful. Five StarsBy Elizabeth VreniosGreat reference book. I recommend it to any poet who wants

to find the exact rhyming word.

The longtime resource of choice for poets, song-writers, and language lovers, Willard R. Espy's acclaimed rhyming dictionary has been updated and expanded to include more than 100,000 rhyming words (thousands new to this edition), divided into single, double, and triple rhymes. The updater, Orin Hargraves, has also expanded and clarified the guide to using the book. Useful new entries include: trademarked words, such as Bake-Off, Faberge, and Winnebago; common acronyms and abbreviations, such as ASAP, DVD, and P2P, which often have simple rhymes; many biographical and geographical names, such as Bristol, Hormuz, Jackson, and Tristan; common new technological terms, such as blog and wi-fi; and, slang or informal words, such as lemme, gotta, and shoulda. A 100-page primer gives readers the essentials of poetic technique, and a glossary defines 9,000 of the most difficult words to rhyme with. Entertaining, clever, and easy to use, this is the authoritative reference on rhyme, by a master of wordplay.
