Diarmaid O Muirithe : Words We Use Volume 3 (v. 3) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Words We Use Volume 3 (v. 3):

0 of 2 people found the following review helpful. Fascinating By Lynda S Jany If you don't understand the Irish or know of Irish culture this will be confusing. Having been born there, it was very easy to read and enjoyable.

The third collection of Diarmaid O'Muirithe's ever-popular Irish Times column of the same name follows on from *The Words We Use* (1996) and *A Word in Your Ear* (1997). As with the previous two volumes, this collection illustrates the author's delight in language and his passion for words. Drawing on his own wit, a wide range of sources and the inspiration of his readers, O'Muirithe examines and illuminates words and phrases, both colloquialisms and standard English.
