Robert W Bly : Words You Should Know to Sound Smart 2017 Daily Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Words You Should Know to Sound Smart 2017 Daily Calendar:

0 of 0 people found the following review helpful. Some words too specific and not for "everyday" use By JJ Ruiz There are a lot of words that are very specific and are not for "everyday" use. Words that you would actually probably not EVER use and I think that defeats the purpose. Otherwise, it serves its purpose. 0 of 0 people found the following review helpful. Cool item By BV These words are pretty great, but it does waste a lot of paper. 1 of 1 people found the following review helpful. Everybody can learn a new word a day - the option is to read a dictionary - NOT!!! By Larry R. Fosselman A great gift - not overwhelming, just do a new word each day! Most people won't use all the words - I write the words that I think I will use on a table with a brief definition and review them when I feel like it.

What budding scholar doesn't dream of debating philosophical precepts with the intelligentsia or locking academic horns with the clerisy? You can do all that--and be the life of every highbrow cocktail party--just by mastering the deliciously obscure terms in this most compendious of calendars. Soon, you'll be tossing about bon mots with the best of the artistes and aesthetes--and impressing the susurrations out of the perfervid hoi polloi--in no time! With this daily calendar, you are only an erudite witticism away from true loquaciousness.

About the Author Robert W. Bly, a full-time freelance writer since 1982, is the author of over eighty-five books, including *The Ultimate Unauthorized Star Trek Quiz Book* and *The Science in Science Fiction*. Bly holds a BS in chemical engineering from the University of Rochester and has published more than one hundred articles in numerous periodicals, including *Cosmopolitan* and *Writers Digest*.
