Cydney Shields : Work, Sister, Work: How Black Women Can Get Ahead in Today's Business Environment before purchasing it in order to gage whether or not it would be worth my time, and all praised Work, Sister, Work: How Black Women Can Get Ahead in Today's Business Environment:

5 of 5 people found the following review helpful. Read this book!By CustomerI read this book back in 1992 or 93

when I was an administrative assistant. I am now the Chief of Staff for my agency's Chief Information Officer. Yes, this book did guide me to that position and will guide me even further. I made sure to look at myself honestly and take the message seriously. I am now buying this book for my secretary and two of my analysts as part of their development plan. If you read it with an open mind and be honest with yourself you will get so much out of this book. I still have my original copy with many sections in yellow highlight, paper clipped pages, and notes written in the margin. All I can say is READ THIS BOOK!4 of 4 people found the following review helpful. Don't Go to the Boardroom Without ItBy CustomerThis IS the book for the black female executive. If you think that life will be different once you climb up into the executive rank you're correct and wrong too. Work Sister Work guides the reader through the backstabbing, the the bigots and all the obstacles in the aspiring black executive's way. Buy this book the minute you get your promotion.Kimberley Wilson, author of 11 Things Mama Should Have Told You About Men.0 of 0 people found the following review helpful. A Valuable Source of Reference!By S. HarrisPOSITIVE and ideal for managers, middle managers, entry level employees (highly recommended!!!), recent college grads, career oriented women, entrepreneurs, and job seekers/career changes.The book explores the dos and dont's of coping with work place adversity - office politics, nepotism, double standards, personal conflicts, the multi-personality boss, busy bodies, goal setting, career advancement, and so much more.I reference the book for inspiration and professional guidance!Consider it!

Specifically tailored to the particular needs of black women, this empowering book is filled with the information that will help them find their way in today's work environment. Foreword by Eleanor Holmes Norton, Congressional Delegate.
