All the answers are in the back, and when pair with the textbook, you can really re-learn what you know for each grammatical point.0 of 0 people found the following review helpful. Excellent. The repetitive exercises helped me learn the materialBy CustomerExcellent . The repetitive exercises helped me learn the material.0 of 0 people found the following review helpful. One of the most concise workbooks I have ever used.By JonathanThe only thing you will find in this workbook is practice. There are no weird assignments or pictures, just grammar and vocabulary questions. If you're looking for "culture" assignments this is the wrong book for you.

Ended up dropping the class. CLEAN book. No writing. Excellent condition!
