Five Stars By Jonah Mills Great product, on time shipping, 2 of 2 people found the following review helpful. \$76 for a book full of exercises -- okay. ... By Dennis \$76 for a book full of exercises -- okay. Not to mention the cost of the textbook on top of it. Keep this in mind; it costs less than a cent for a sheet of paper. Here, you're essentially paying \$0.23 per a page, and you probably won't make use of half of the book, Go pirate it, boys and girls. 0 of 0 people found the following review helpful. Be ready to wait a while... By bree Out of all the books I ordered, this one has taken the longest to come. Being that I am a college student, I feel that ordering a book over a week in advance should ensure that I have it when I need. Not having this has put me behind in assignments. I probably would not use this carrier again.

Deutsch: Na klar! offers the most trusted solution for helping Introductory German students develop their communicative competence. The sixth edition preserves the hallmark features that instructors have come to trust, and through its use of current, authentic cultural materials, Deutsch: Na klar! teaches students how to use German in real-life situations effectively and how to communicate successfully in the German-speaking world.
