Stuff they don't teach you in high schoolBy Review101Needed it for a class that I was dreading to have to take my senior year...but I learned a lot about some stuff that I thought I knew about insurance, banking, finance...stuff they don't teach you in high school.0 of 0 people found the following review helpful. Great book, easy to read, good to return for some moneyBy MaggieI had to take this class as a home study and just got the book from instead for a fraction of the price. The book is used but it wasn't in any terrible condition. It was almost like brand new.After having it for 3-4 months, I was able to return it for almost half the money that I paid for it, so that is really awesome!0 of 0 people found the following review helpful.
