**Patricia Rush, Patricia Houston : Workbook for Spanish for Health Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook for Spanish for Health Care:

0 of 0 people found the following review helpful. Spanish ClassBy cynIt is the book my professor had chosen for us to learn how to communicate in Spanish for Health Care professionals and it also teaches to the basics in courtesy and how to treat a patient or customer. Ideal for learning.0 of 0 people found the following review helpful. Three StarsBy CustomerShipping took terribly long but product was good0 of 0 people found the following review helpful. Just what I needed for the right priceBy Bridget GrahamI can tell someone used this before with pencil and then erased it, but I don't mind at all. It works for my purposes and the price was right!

The Workbook for Spanish for Health Care provides students with additional activities and reinforcement of main

concepts, as well as practical materials such as diagrams, and forms, and more. It is also available in electronic format in MySpanishLab.
