Well this is a nice suit for sure By Norma Stevens Well this is a nice suit for sure, BUT the photo shown for it was VERY misleading. it states it is a solid which I would take as one color and no pattern to it (plaid pinstripe etc.). However the MATERIAL shown in the photo had a bit of a texture look to it, almost striped but not really. That was the WHOLE reason we chose this suit, because of the unique look to the material. When we got it, it IS SOLID black, no texture, no variation in the color of the material nothing. It looks like any suit you could get at any department store. We bought this for a VERY special purpose and because of the way the material looked in the photo it was a perfect fit for what we needed. We are sadly disappointed but have no choice but to use it because we do not have time to get a replacement. As far as the size goes I am not sure, he hasn't had time to

try it on yet. And for the record, not that it is a huge deal, but it says you get free socks, they did NOT come with it. So again nice suit but VERY standard looking nothing really special about the appearance.0 of 0 people found the following review helpful. The workbook itself has great exercises and most of the answers are in the back. It really is amazing practice for my German class and correlates with the textbook pretty well.0 of 0 people found the following review helpful. The books front cover was off. Deutsch: Na klar! engages students with its unique integration of authentic materials and targeted listening and speaking activities, contemporary culture and communicative building blocks, providing the tools they need to build a solid foundation in introductory German. Communicative Competence: The program supports the communicative goals of the course by engaging students with authentic materials in print, audio, and video and puts the students into the kinds of situations they would encounter in any German-speaking environment. The program has been carefully designed to get students to communicate in a controlled way at first, then in a progressively more open-ended fashion, on a variety of topics that affect their own lives. In Connect German, students have full access to the digitally enhanced eBook, the online Workbook/Lab Manual activities, LearnSmart, and all of the accompanying audio and video resources, giving them the ability to interact with the materials as often as they wish. Cultural Competence: Deutsch: Na klar! engages students in cross-cultural comparisons and analysis- express opinions, summarize, and synthesize texts, and narrate events- throughout the program. The cultural programs meaningful and extensive exploration of the German-speaking world is fully supported in Connect German through audio and video resources and interactive activities. Mobile Tools for Digital Success: Connect German, McGraw-Hills digital teaching and learning environment, is now mobile enabled for tablets, allowing students to engage in their course material via the devices they use every day. The digital tools available in the Connect German platform facilitate student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peer-editing writing tools, sophisticated reporting, and a complete e-book with embedded audio, video, and grammar tutorials. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect German, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.
