James C. Gonyea : Working for America/Employment Opportunities in Federal Civil Service before purchasing it in order to gage whether or not it would be worth my time, and all praised Working for America/Employment Opportunities in Federal Civil Service:

Here is a career-guidance directory that should be read and studied by every man, woman, and soon-to-graduate student involved in career planning. This volume describes 162 major agencies and reveals how to secure employment with any of them. Job qualifications cover the wide range from clerical to academic, administrative to high-tech. Includes salary ranges.
