4 of 4 people found the following review helpful. Working With Animals Uk, Europe, WorldwideBy DebbieThis book provides very useful information for those who would like a career with animals. It describes dozens of animal related occupations, from animal sitter to zoo keeper. This book is excellent for all ages. It will give young people detailed information into the world of working with animals but also provide adults with invaluable work contacts. This book is worth the money just for the extensive listings of intership, volunteer and career opportunities.

From zoo-keepers to vets, jockeys to forest rangers or kennel staff to turtle rescuers - this book gives information on a varied range of careers and shorter term opportunities in Britain, Europe and around the world. It provides comprehensive details of hundreds of employers.

"The book is crammed with information about opportunities for working with animals, listing many employers and organizations." --Horse and Hound
"It is certainly the most comprehensive and up-to-date reference of its kind available." --Overseas Jobs Express
"Victoria Pybus has cast her net wide, and the result is a compact and reasonably-priced little reference volume which will be of use not merely to young people hoping to work with animals, but also to many of those who already have jobs in this field." --International Zoo News
