Must Have book for the doll collectorBy Christine LongThis lovely book has 191 pages of wonderful color photos of the Madame Alexander Wendy kins doll. Most of the outfits are described in detail with changes and omissions noted. The outfits are named and numbered. The price guide in the back was for 1985 when the book was published. The photos are very helpful in identifying an outfit and kind of doll wore it. Outfits cover 1953 to 1980, with the majority covering 1954 - 1956. This is a great reference!0 of 0 people found the following review helpful. If you love (and especially if you collect) old Madame Alexander DollsBy suzy888A classic.
