Leslie Hamilton, Hamilton : Wow! Resumes for Health Careers before purchasing it in order to gage whether or not it would be worth my time, and all praised Wow! Resumes for Health Careers:

The explosive growth of today's healthcare field is matched by few industries, as thousands of people line up to join the ranks of healthcare professionals every month. In such an intensely competitive field, knowing what makes the perfect candidate can make or break a career. "Wow! Resumes for Health Careers guides job hunters through the steps in writing resumes for dozens of healthcare professions, including LPN, RN, physical therapist, hospital administrator, psychologist, home care provider, social worker, and many more.

From the Back Cover Powerful! Effective! Professional! Land the job you've always wanted. WOW! Resumes for Health Careers tells you how to write attention-grabbing resumes that will get you the health job you want, now! For everyone from HMO managers to home care providers, this is the only resource with hundreds of resume suggestions specifically aimed at enhancing your health career. Be resume-perfect! Make your experience and initiative stand out--and learn which skills appeal most to prospective employers. Do you have knowledge of special medications or procedures? Were you a budget trimmer at your last job? Did you improve a work system or your department's efficiency? Your future employer will want to know. Featuring dozens of WOW! Resumes covering more than 50 types of health jobs, the book includes surefire strategies and targeted resumes with cover letters geared to real-life jobs for health professions, plus: pointers from selected health care hiring officials--what they want to see on your resume and what they don't; getting the best testimonials; best ways to demonstrate that you're current in your field; format and graphic innovation to make your resume stand out--with key information right up front; a checklist to use before you put that resume in the mail. Market yourself! This sourcebook helps you showcase your value so that you can get the job and compensation you deserve. It offers guidance on how to turn negative or ordinary experiences into positive ones. And it prepares you to shine in interviews, whether they take place in Human Resources or the CEO's office. Move into the health job that's right for you--today--with a resume that will wow every hiring manager who sees it!
