Peter Braun, Elizabeth Doerr : Wristwatch Annual 2004: The Catalog of Producers, Models, and Specifications before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wristwatch Annual 2004: The Catalog of Producers, Models, and Specifications:

1 of 1 people found the following review helpful. Invaluable! By Dennis R. Edwards Thorough presentation of all of the watches produced in a given year! Almost too much detail. But an invaluable resource for the collector who collects across the years. 1 of 1 people found the following review helpful. Five Stars By Andre Johnmus have for collectors - lots and lots of pictures 3 of 3 people found the following review helpful. New to Hobby - Good Book By

Randy Given I am new to the hobby of horology and enjoy owning this book. It provides a lot of detail and good photos of all the major brands (the competing buying guides leave out some significant brands). Well done and worth buying BEFORE you spend 30 times its price (or more!) on a watch. See the different styles and open your eyes. Take the TIME to appreciate it!

Every year brings hundreds of new wristwatch designs, with aesthetic and mechanical changes and improvements, limited edition watches, and new producers keeping this field exciting for collectors. Following the success of last year's book, this new annual features over 1,700 of the world's most luxurious wristwatches and provides color photographs and complete specifications for each watch. With Wristwatch Annual, collectors have a wealth of information close at hand: The book is arranged alphabetically by producer, and within each producer's section are specifications and materials for each watch, including price, movement, special features, complications, casings, dial, band, and available variations of a particular model. The elegant photography and layout will encourage people to peruse the year's offerings watch-by-watch for aesthetic appeal as well. The range of styles, from classic to modern, reflects the inclusive nature of this book, which watch collectors the world over will find both a handy reference and required reading. Included in the 2004 edition: Audemars Piquet; Baume Mercier; Bell Ross; Bertolucci; Blancpain; Blu; Bonneville; Rainer Brand; Breguet; Breitling; Bulgari; Bunz Collection; Vincent Calabrese; Cartier; Charriol; Chase-Durer; J.
