## All Important Interview:

This is a guide to planning and producing a good CV. It suggests ways of approaching CV writing and with advice on how to prepare and prioritise your information. The book covers key points that are important in achieving the desired results, and points out what employers look for within a good CV. The text contains sections on how to tailor your CV to a particular job, how to use the correct phraseology to market yourself and how to promote yourself. There are also chapters on presenting your CV and writing a covering letter.
