RHONDAThe book is a must-have resource for experienced and novice writers alike. However, be warned: the
activation code inside the book that allows for free online access is not so cut and dried. I've purchased this book a few
times and at least twice now I could not log on easily with the activation code. When trying to use the code I get an
error message that my email address is already in use (even though I do not have an active account anymore -- but I

used to.) I went to the website and completed the form regarding this issue. I asked if being a previous member prohibits me from using the online portal via the code. (I don't see that written anywhere.) Unlike what they've written on their site, it will take far more than 2 business days for them to contact you back -- if they contact you at all. I've been waiting about five business days now and still no word. I called them yesterday with the issue and the rep said, "Oh yeah. I'm going to have to give your information to the girl in the other department..." What that told me is that this is a very small operation. Definitely buy this book. It's an invaluable resource. But if you're buying it in hopes of getting the free online access, beware. You'll probably end up sending emails into outerspace or waiting for callbacks/emails that never happen. Be prepared to use the book by itself (and lugging it around is a pain, this book is big!) or pay separately for the online access (which might be what they want you to do anyway.)

By Jennifer Holmes
I have been purchasing this for decades, although not every single year. When I got it this year, there is quite a lot of good information here, as always, and it lives up to its usual good reputation. One thing that I do not like, is that titles of publications, publishers, etc., are in grey scale print. My poor old eyes don't transition well with that. I will manage, but I hope the next publication uses all black ink.
Always a good read with valuable information. Thanks!

By D.E. Chandler
Always a wealth of information, but the deluxe edition is the best. It's like getting two subscriptions for just a little more than one. The website is amazing, and I am looking forward to putting it through its paces this year.

The most trusted guide to getting published!
Writer's Market Deluxe Edition 2017 includes everything you expect in a regular copy of Writer's Market, PLUS a one-year subscription to WritersMarket.com. With it, you'll gain instant access to more than 7,500 listings for book publishers, magazines, contests, literary agents, and more--with daily updates. Beyond the listings, you'll find all-new material devoted to the business and promotion of writing. Discover the secrets to writing better queries and selling more articles, tips for a great conference experience, and insight into developing an effective author brand. Plus, you'll learn how to write and curate content to grow your audience, connect with book clubs, and make promotions and publicity work for you. This edition includes the ever-popular pay-rate chart and book publisher subject index, too! You also gain access to:
List of professional writing organizations.
Sample query letters.
A free digital download of Writer's Yearbook, featuring the 100 Best Markets:
WritersDigest.com/WritersDigest-Yearbook-16.
Includes exclusive access to the webinar "7 Principles of Freelance Writing Success" from Robert Lee Brewer, editor of Writer's Market.

About the Author
Robert Lee Brewer is Senior Content Editor for the Writer's Digest Writing Community, focusing especially on WritersMarket.com and the Writer's Market Book line. Voted Poet Laureate of the Blogosphere in 2010, Brewer has published one poetry collection, *Solving the World's Problems* (Press 53). He speaks around the country on writing and publishing topics, including how to get published, increase readership, and make money writing.
