J. Paul Dyson : Writers' Handbook 2017 before purchasing it in order to gage whether or not it would be worth my time, and all praised Writers' Handbook 2017:

1 of 2 people found the following review helpful. Good, but there are better references on-line at FirstWriter.comBy Benjamin RumsonIt's Ok....Good information, but not as current and up to date as "Firstwriter.com" I suggest going there and joining that organization first.

The 2017 edition of firstwriter.coms bestselling directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,300 listings, including revised and updated listings from the 2016 edition, and over 500 brand new entries. 90 pages of literary agent listings that nearly as much as the Writers Market (56 pages) and the Writers Artists Yearbook (40 pages) combined! 106 pages of book publisher listings, compared to just 89 pages in the Writers Artists Yearbook. 94 pages of magazine listings 50% more than the 62 pages in the Writers Artists Yearbook. All in a book with a price less than half the RRP of the Writers Market (\$49.99), and nearly half the RRP of the Writers Artists Yearbook (20.00). Industry insights are provided by top literary agent Andrew Lownie, of the Andrew Lownie Literary Agency Ltd: named by Publishers Marketplace as the top selling agent worldwide. Subject indexes for each area provide easy access to the markets you need, with specific lists for everything from romance publishers, to poetry magazines, to literary agents interested in thrillers. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only whats important to writers contact details for literary agents, publishers, and magazines this directory is able to provide more listings than its competitors, at a substantially lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2018. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now! ~ Robin Wade; literary agent at the Wade Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber
