Were it not for this book, I'm sure we'd all be sitting in the dark, speaking Russian. You can thank me later... :o)1 of 1 people found the

following review helpful. 14 years later this is awesome!By Alva T.Hilarious book. Great look back at the paranoia of the Y2K bug generation. Nothing in the book happened, which makes it even unintentionally funny.

Unless you've been living in a cave, one problem you've heard a lot about is Y2K, the question of what will happen at the stroke of midnight on January 1, 2000, if computers fail to recognize the new millennium.
