**Penton Staff : Yamaha Moto-4 Big Bear 1987-2004 (CLYMER MOTORCYCLE REPAIR)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yamaha Moto-4 Big Bear 1987-2004 (CLYMER MOTORCYCLE REPAIR):

1 of 1 people found the following review helpful. Gr8 service manualBy MadManThis is a handy service manual complete with photos and exploded views of parts and assemblies. This is a must have for any DIY ATV owner. I

found some of the b/w photos are a bit dark but clear enough to see which part they were trying to point out. I purchased a Used Yamaha quad and using this manual I was able to see which parts were missing. I have replaced all the stock parts and even fixed the brakes. The quad works great now. Handy manual. 1 of 1 people found the following review helpful. Do it yourself By Grant B. This is a detailed book If you want to be a self made mechanic get this book step by step instructions are great 0 of 0 people found the following review helpful. best manuals By Steve Clymer makes the best atv/motorcycle manuals, easy to follow with precise instructions. my son used it for his atv and its his first machine.
