Yasu-Hiko Tohsaku : Yookoso! An Invitation to Contemporary Japanese, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Yookoso! An Invitation to Contemporary Japanese, Third Edition:

0 of 0 people found the following review helpful. It's an okay book but there are better alternatives out there
By Tyrantbreaker
This book is decent for learning basic Japanese, but it is in no way worth the hefty price tag. Interactions seem robotic and are often impractical for non-business purposes. In addition, I think that not enough effort was put into other aspects of Japanese such as kanji and vocabulary. It tries too hard to cover every aspect of Japanese - listening, speaking, writing, etc - and because they're trying so hard to do all that in a single book everything kinda seems half-done. It's an okay book but there are better alternatives out there.
0 of 0 people found the following review helpful. so many other books that do the job much better.
By Lynx
outdated. so many other books that do the job much better.
0 of 0 people found the following review helpful. It's Really Not That Bad
By Lucy Kay
If you have a good

teacher and you use the website ([...]) and you get the compatible workbook, it's not so bad. Learning Japanese isn't ever going to be easy and there isn't a magic textbook to do that, but this one helps you out as best a textbook can. It's a bit hard to navigate sometimes, but the basics are all here. It's expensive, but so are all mandatory college textbooks. Again, you need the website above to hear the pronunciation and the workbook for more hands on learning, but this is a good reference to have. If you're in a classroom, this is a good book.

This book is ready for immediate mailing in a cushioned box on the day of purchase or the next mail day with OUR COMPLIMENTARY UPGRADE TO PRIORITY MAIL for domestic US addresses. Also, we provide free tracking as well as a 100% no-quibble money-back guarantee if not completely satisfied. Please let us know right away if there is any problem at all with this purchase.
