3 of 3 people found the following review helpful. Best durable map availableBy Z S LiskIf you are heading into the great outdoors look no further. When GPS unit batteries die you will need an old fashioned map.This is the best brand you can get. These are detailed maps that feature every elevation and measurement you want.BEST FEATURE: TEAR RESISTANT. This is not your standard paper map. These do not tear. The material is super durable and will withstand the elements so no need to worry about moisture ruining these.\$10 is nothing. Especially when you are lost in the woods.0 of 0 people found the following review helpful. Clear and accurate. Waterproof and tear resistant. What ...By AMRoseClear and accurate. Waterproof and tear resistant. What more could you want?0 of 0 people found the following review helpful. Five StarsBy ElizabethThis is a fantastic map of the entire park. Used this extensively on our 20+ mile hikes.

All maps have color-coded symbols and trails, mileages between trail junctions, latitude/longitude, UTM grids, contour lines, vegetation, and elevations at trail junctions. Tom Harrison Maps is famous for the beauty and accuracy of its maps. All maps printed on waterproof and tear resistant material
