Larry Dillon : You're Only Perfect Twice: At Birth and on Your Resume before purchasing it in order to gage whether or not it would be worth my time, and all praised You're Only Perfect Twice: At Birth and on Your Resume:

0 of 0 people found the following review helpful. Sound and practical job search advice!By Mayor Sall have the pleasure of knowing Larry so I knew his counsel on job search would be meaningful. What was very unexpected, but wholly gratifying, was the essential and practical advice on how almost every aspect of the career search. From how best to prepare one's resume, to researching a potential employer to how to dress for an interview, this book needs to be included in every job seeker's tool box. One of the best chapters includes a review of the "recruiter" questions and what they really mean and how best to analyze what they seek from a candidate. This book was one of the primary

reasons I landed a new job within two months of my job search commencement. Follow the rules Larry lays out and it does pay off. 7 of 7 people found the following review helpful. Million Dollar Advice By Tom Hayes
Want a great, fulfilling career? Buy this book. Larry Dillon is one of the nation's top headhunters--executive recruiters--and no one knows more about crafting resumes that open doors and conducting interviews that nail the job than he does. Best of all, he approaches the job search subject from the psychology of the hiring manager, providing key insights and strategies few other authors can touch. If you want to manage your way to the top of your field, buy this book today.

With unemployment at a record high, it's more crucial than ever to have some extra arsenal in your bag to stand out above the rest. Although we have numerous ways in which to find out what jobs are out there, from internet sites to online social networks, all of them have one thing in common: you are still competing against millions of candidates for that one perfect job. Recruiters receive thousands of resumes every week. Your resume may be reviewed or may be electronically scanned and rejected. The odds of success could be 1 in 500. Sound hopeless? It doesn't have to be and the expertise and strategy contained in this book could make the difference between your resume being heaped on an endless pile with others or getting the job you want. The processes that used to work for acquiring a job are obsolete. Your success depends solely on serious research and expert planning and preparation. There are things within your control. Dillon's step-by-step strategy will have you on your way to securing the job and future you want. Larry Dillon is an author and has over 25 years experience in executive recruiting. Mr. Dillon is currently writing his third book and lives in California. Publisher's website: <http://www.strategicpublishinggroup.com/title/YoureOnlyPerfectTwice.html>
