M. J. Giles : Young Adult's Guide to a Business Career before purchasing it in order to gage whether or not it would be worth my time, and all praised Young Adult's Guide to a Business Career:

High school students just preparing for college, already attending a university, and recent graduates ready to enter the realm of full-time employment face career decisions that will impact the rest of their lives. This easy-to-read, not-to-be-

missed reference serves as a roadmap packed with tips for students planning the rest of their lives.
