Anna Sheather : Your Brilliant CV before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Brilliant CV:

I am an experienced Executive Coach who has worked with many people looking to develop and/or change their careers. In this book I have brought together my years of experience helping people at all levels write professional, successful CVs. I concentrate on the facts, providing you with lots of practical advice and guidance that has been tried

and tested by my clients, helping them write CVs that get them interviews. The book covers the three most common types of CV and when to use them, as well as e-CVs. It also has example CVs for you to use too. Whether you are a Chief Executive or just starting out on your career the principles of writing good CVs are the same. This book is aimed at anyone looking to write or update their CV. I also look at the most common issues with CVs including career gaps and how to write about a long career history in just 2 pages! My advice and guidance will help you stand out from the crowd, write a Brilliant CV and get that interview!
