**Julie Levitt : Your Career: How to Make it Happen (with CD-ROM)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Career: How to Make it Happen (with CD-ROM):

0 of 0 people found the following review helpful. bookBy kandi huyettwas not pleased had no cd with it and i needed it so the book did me no good. wont get anything from this place again.0 of 0 people found the following review helpful. Your Career BookBy Wanda F. HobgoodThis book was ordered for my class this qtr. Great book. Very informative and would highly recommend it to anyone in need of resume skills.0 of 0 people found the following review helpful. Book for College CourseBy Marsha NelsonBought this book for my daughter and sent to her for one of her classes. She thought it was an easy read.

Build bridges from classroom to career! Practical assignments throughout connect directly with the business community, employers and the Internet. This best-selling book provides everything needed to gain competitive

advantage in the workplace. It is ideal for a course on Professional/Career Development, Job Search, Resume Writing, and Interviewing. YOUR CAREER provides thorough coverage of career self-assessment, employer research, job search/interviewing and career building strategies. The text also contains extensive instructions and examples of market-driven electronic, traditional, and Web resumes as well as cover letters.

"YOUR CAREER is actually one of the best texts on the subject." About the Author Julie Griffin Levitt is a business educator, corporate trainer and consultant, lecturer, and author of numerous educational publications. She teaches and consults in the areas of career planning and job search skills, office occupations, communications, supervision, and motivation. While teaching job-seeking and career planning skills at the secondary and post-secondary levels, Ms. Levitt's students have had a 97% job placement ratio.
