Ron Brumbarger : Youre Always Being Interviewed before purchasing it in order to gage whether or not it would be worth my time, and all praised Youre Always Being Interviewed:

0 of 0 people found the following review helpful. Five StarsBy Marti DudleyGreat book for everyone! This book should be recommended reading for high school/college aged students.0 of 1 people found the following review helpful. Five Stars for You're Always Being InterviewedBy Cutter K" You are always being interviewed" is author, entrepreneur, and talent spotter Ron Brumbarger's guide to becoming a more extraordinarily exceptional you. This

book extols the correct way to interact with others as a professional. There are numerous examples of how to act in a variety of social situations, as well as information on how best to cultivate a positive professional image. Although some of the lessons might seem obvious, there are numerous examples provided of people failing to heed the astutely crafted observations of Mr. Brumbarger. Each lesson is framed through personal anecdotes, some which can be quite hilarious. This book would prove to be a quick and valuable read for any aspiring professional, entrepreneur, or opportunity seeker. 0 of 1 people found the following review helpful. Timeless Business Principles By Customer This is an outstanding book for individuals just entering the workforce as well for experienced business people to use as a refresher on the importance of character and relationships. Ron's premise that you are always being interviewed couldn't be more true. In today's world of quick communications and often impersonal interactions, Ron's advice on how to present yourself and communicate in a clear, professional way is a blueprint for developing a stellar business reputation. This book is incredibly timely given the on-going digitization of communications and shows how the timeless principles of strong character and good habits give the professionals who practice them an edge in an increasingly competitive world. I recommend the book wholeheartedly.

You're Always Being Interviewed. Is not just the title of this book its a mantra to be incorporated into your everyday life. Whether you like it or not, your reputation and personal brand are constantly in development and demonstrated by your character, relationships, habits and etiquette. Drawing on his many years as a Talent Spotter, Ron Brumbarger reveals why its vital you demonstrate strong character, even during interactions you believe are inconsequential. He shares numerous stories of intentionally extraordinary individuals who made a positive and long-lasting impression and how they did it as well as stories of those who missed the boat. Ron explains the concept of relational capital and why its of utmost importance in all relationships. Discover the benefits of exhibiting poise, grace, and discipline with this guide to being intentionally extraordinary at all times and in all things.
