**Philip J. Cunningham : Zakennayo!: The Real Japanese You Were Never Taught in School** before purchasing it in order to gage whether or not it would be worth my time, and all praised Zakennayo!: The Real Japanese You Were Never Taught in School:

The Japanese are known for their polite discourse and deferential demeanor, but there's another side to the language of the land of the rising sun--and every one of its biting curses, scathing slanders, and frustration-venting expressions is captured here in this priceless repertoire of "colorful" Japanese expressions. 16 line drawings.
