Not as easy to look up zip codes as I would have thought. By Practical and Quality Wanted an easy look up book for zip codes at work. I thought this would be well organized (state by state) etc., but it isn't. I won't have time to search through at my job. The reason this is getting 1 star is I tried to return it and the seller didn't approve my reason, asking for more information about the "rip" even though I didn't report that. Big hassle. 0 of 0 people found the following review helpful. Great reference guide. By Sandra J. Long It is a wonderful tool. I really helps me with finding and spelling the cities correctly. It has really come in handy,

The United States Zip Code Atlas is an indispensable resource for anyone involved in direct marketing, sales, media selection, or transportation. Individual state maps are the core of the atlas. Each state map shows 3-digit zip code areas

clearly outlined in a second color. The indexes give 5-digit zip codes. The material is further enhanced by 22 pages of statistical and demographic data, organized by 3-digit zip code. As a special bonus, a full-size, full-color U.S. county-town zip code map is included (a \$36.00 value).
