The first one written by "Daniel Taylor"on 7-6-2014 has a typo in the Table of Contents and more throughout the book including leaving in an Excel SS format on some of the recipes. Examples: "Put the spinach and stir until sag", "Wah with cold water", "Pick one cloves", "mama ghannouj", "In a bowl using oil for whisking", "Let the outside to burn.", "Refrigerate coleslaw for an hour then stir." but there's no

"coleslaw" in the recipe. Anytime there is a registered trademark of a product, you can put a healthy bet on the fact the recipe was copied off the company's copyrighted Internet web site. There's quite of a few of them in this book. The exact same mistakes and rip-off recipes are also in this 2nd version of the book with this different fake author name, "Kimberly Hansan" was printed on 12-6-2014. 1 of 1 people found the following review helpful.
